5th May 2022 **NEWSLETTER NO. 12**

Principal's Message Term 2 Week 2

It is back around to that time of year again, when we celebrate the wonderful people that play a mothering role in our lives. This happens in a variety of ways for families and we should always recognise the supportive, organised and loving role these people perform each and every day. We all appreciate your time and effort.

DIVISION CROSS COUNTRY
It was a fantastic day at Lucknow PS on Monday. Our 21 students competed well against the 50 other runners in their age groups. A massive congratulations to Jack White (3rd) and Lewis Jennion (10th) who now progress to the regional stage of competition at Lardner Park.

** Congratulations to Grace Davidson for making it through to the next round of Golf.

NAPLAN ONLINE—Next week!
Next Tuesday to Friday will be the time frame for our grade 3 and 5 students' to complete their annual assessment. The students have had a few practise runs and have handled the new format well. We encourage all grade 3 and 5 students to be in attendance on these days.
All communication says we should receive student results earlier than previous years, so fingers crossed.

ALL THE BEST MISS GRAY…
Just as we regained two staff members from maternity leave, we have another one heading off to welcome their first child. We wish Miss Gray and her partner Shaun all the best as they begin the most magnificent and challenging journey in life. This little bundle of joy will be well-loved and well dressed!

*****RAPID ANTIGEN TESTS (RATs) are available to be picked up from the office*****

Enjoy a beautiful family day Sunday!

Mr Cairns

JOKE OF THE WEEK.....
What did baby corn say to mummy corn?
Where's POPCORN!

JUNIOR FIELD NATURALISTS GROUP

ABOUT JUNIOR FIELD NATURALISTS

The Junior Group of Bairnsdale & District Field Naturalists Club Inc. is one of only two in Victoria. It is a family-friendly group and while the age range for juniors is under 18yrs, most junior members are of primary school age. Parents / guardians are expected to accompany juniors on activities.

An **excursion is held at the start of each month** (usually excluding school holidays) where juniors can participate in walks, nature activities, meet local experts and people passionate about local flora, fauna, geology and other aspects of our natural environment. Some of the recent trips include fossil digs, scats and tracks, fungi identification, microscope use.

If you think you would like to join our Junior Group, please give me a call for further details.
