Principal's Message—Term 4, Week 9

It has been a wonderful few weeks having our 2023 prep students visiting the school. They are settling in well and enjoying their new surroundings. Equally fantastic was the Nagle transition day held on Tuesday. The nine students attending next year worked their way through a range of activities and met their new classmates.

2023 CLASS STRUCTURE

As it nears the end of the year, we have well and truly entered the 2023 planning stage. The following teaching structure is set for next year;

One Prep class— Kate McNab

Two 1/2 classes— Tracey Waddell and Roxanne Dyer/Chloe Orchard (job share)

Two 3/4 classes— Grace Iversen and David Pachl

Three 5/6 classes— Theresa Hewett, Adam Linford and Khai Collins

*Next week, I will publish the room set up for these eight classes.

**Students will have two transition visits with their 2023 class in the final week of school.

uEducateUs TRANSITION

Our school is entering the modern age! We will be transitioning to the uEducateUs app in preparation for the 2023 school year. This will control student attendance and excursion permission, student reporting, student learning data and eventually our school wellbeing data.

More information will be sent out to all families in the coming week. Keep an eye out!

2023 PREP PARENT INFORMATION SESSION—Wednesday 7th December

We invite all parents who have their child starting Prep with us next year to a brief information session next week. It is always good to clearly communicate information about the school year and field any questions that may ease the transition. See you at 9.15am next Wednesday!

HAM NIGHT—Monday 5th December

The Lindenow Lions Club Ham Night will be taking place this Monday night at 6.30pm. Thea Lenane has been busy organising salads, desserts and bread for the crowd to feast on. It is a great community night and an important fundraiser for our school. Thank you to the families who are providing food and the parents assisting on the night.

Have a fantastic weekend filled with fun in the sun!

Mr Cairns

SALT
SPORT & LIFE TRAINING

Wellbeing and Mental Health

Undertaking Sport and Life Training this year has proved to be the most valuable and important training we have ever committed to as a club.
- Noel from Lindenow South FNC

This session is designed to give participants an understanding of anxiety and depression and provides them with positive mental health habits for life. It educates participants in how to have real conversations and aims to reduce the stigma that remains around mental health issues. Participants are encouraged to ask good questions of their friends and to be open and honest about how they are coping and gain a better understanding of support structures available. People who reveal that they are languishing are connected to people with capacity to ensure they receive follow up.

All Come Out to Play Children's Session

ALL come out to play! is a musical fun interactive program about Gender Equality

An interactive program about Gender Equality

The All Come Out to Play session follows a day in the life of two children who have all kinds of adventures with their dad while their mum is off at work. The session gives all the participating children the opportunity to show their nurturing, caring side, take some physical risks with a balancing activity and celebrate their different personalities through songs and dances. This session is part of the East Gippsland 16 Days of Activism campaign for the elimination of violence against women.
