NEWSLETTER NO. 38

Principal's Message—Term 4, Week 10

It has been another busy week as we move a step closer to closing out the school year. Please make sure you stay up to date with what is going on next week as it is the last week of school. We are very much looking forward to important events, such as, graduation, transition visits, end of year celebration and class Kris Kringle.

2023 CLASSROOMS

We are making some changes to our classroom structure for next year. We value student learning and high-quality teaching, so we have made the decision to change things up in the students best interests.

- ◆ Prep will move into the Wy Yung building.
- ◆ The three 5/6 classes will move into the main wing (grey building).
- ◆ The 1/2s and 3/4s will be occupying the BER building.

STUDENT REPORTING

Just a reminder that all reports will be emailed out to families as a PDF file this year. This will make it a more efficient process and more environmentally friendly. In the future, families will be able to access their child's report on the uEducateUs app.

END OF YEAR CELEBRATION

All the details for our final event of the year are on page 2. Make sure you have a read and return your family details to the office if you plan on attending. The performances are looking awesome!

uEducateUs TRANSITION

We will be transitioning to the uEducateUs app in preparation for the 2023 school year. This will control student attendance and excursion permission, student reporting, student learning data and eventually our school wellbeing data. All information has been sent home to all families this week.

DONATIONS

It has been a big week for donations at LPS. Our four school captains had the pleasure of going over to the Lindenow Ladies group on Tuesday to collect a \$300 donation.

We also had the Lions Club Ham Night on Monday and were lucky enough to receive a \$840 donation.

A BIG thank you to Thea Lenane and her team who assisted on the night. We appreciate all the families that donated salads and desserts too!

Have a wonderful weekend!

Mr Cairns

SALT
SPORT & LIFE TRAINING

Wellbeing and Mental Health

Undertaking Sport and Life Training this year has proved to be the most valuable and important training we have ever committed to as a club.
- Noel from Lindenow South FNC

This session is designed to give participants an understanding of anxiety and depression and provides them with positive mental health habits for life. It educates participants in how to have real conversations and aims to reduce the stigma that remains around mental health issues. Participants are encouraged to ask good questions of their friends and to be open and honest about how they are coping and gain a better understanding of support structures available. People who reveal that they are languishing are connected to people with capacity to ensure they receive follow up.

All Come Out to Play Children's Session

ALL come out to play! is a musical fun interactive program about Gender Equality

An interactive program about Gender Equality

The All Come Out to Play session follows a day in the life of two children who have all kinds of adventures with their dad while their mum is off at work. The session gives all the participating children the opportunity to show their nurturing, caring side, take some physical risks with a balancing activity and celebrate their different personalities through songs and dances. This session is part of the East Gippsland 16 Days of Activism campaign for the elimination of violence against women.
