Principal's Message—Term 4, Week 11

****NO LUNCH ORDERS TOMORROW****

In what seems to have flown around in the blink of an eye, here we are at the end of the school year!

I can't tell you how pleased myself and all the staff are that we have finally had a full year of onsite education. Walking around the school, you can clearly see the benefits of having all students here consistently. Their learning continues to progress and their social skills are also benefiting from more time together.

We were all very proud of our Grade 6 students at graduation last night. They all looked magnificent and our school captains presented a wonderful ceremony. Although it is sometimes a sad time to see our senior students leaving, it is equally exciting to wish them well on their secondary journey. Good luck to all!

Student reports will be emailed out to families today in a PDF format. Each student report will also be available on the uEducateUs app from 3.30pm today. As of next year, you will only be able to access your child's report on the uEducateUs app. So have a read of the information sent home last couple of weeks, download the app and get yourself set up.

Thank you to all of our staff who have provided excellent learning opportunities for all students this year. It is not always easy transitioning staff in and out of the school, but it is pleasing to see the growth made by our students this year because of high-quality teaching and learning. We look forward to raising the bar even higher next year!

Once again, it has been a productive year for our school council members. It is a pleasure to sit down with Graeme Jemmeson, Khai Collins, Rachel Zygarlicki, Adam Crotty, Crystal Buck and Michael Preston twice a term. They have been efficient in their decision making when considering what is best for the students at Lindenow PS.

From everyone here at school, we wish all LPS families a Merry Christmas and a safe and positive start to 2023. Please reach out if you or your children are having a difficult time over the holiday period. We are here to support you when things are going well and not so well.

All the best!
